Thank you for making my 40th birthday party effortless. Having you (Felicity) organise the decor and jumping castle took the stress off me. It was exactly what I wanted, the venue was on point. My guests commented on how good the food was. The wait staff were just great, with a smile on throughout the night and were happy to accommodate our requests.

Leigh and myself are wanting to say a HUGE thank you to daydreamers cafe! The staff made ours and our guests night one to remember
All the little things that we didn't even think of, always making sure once Leigh and myself finished a drink we would have one right there, saving a plate of food for us for the end of the night and just how relaxed yet professional they all were.

And a BIG thank you to Felicity, the entire process of organising our wedding was made so stress free, she had a vision everything that was spoken of came true without any hiccups.

Hearing feedback from all our guests saying how our wedding was definitely one to remember and it was one of the most fun nights.

From the bottom of my heart, THANK YOU

Felicity definitely has a talent for what she does, and definitely deserve all the praise

Hi Felicity!

Of course, I would!

I've been meaning to send you an email. But Saturday was so amazing! Loved how you set everything up! Everyone had an amazing time! I hope we didn't get too rowdy at the end, but everyone was talking about what a great venue it was. The food was amazing too!

Best Regards,

Hi Felicity
Thank you so much for creating such a lovely event for my family.
You looked after my guests so well and they were very impressed with everything.
The food, drinks, gelato cart was perfect. Open bar was great as they certainly like their drinks 🤪
Every thing went so smoothly and thanks for all your suggestions.
I don't have anything but positives to feedback - oldies and kids were very happy.
We got lucky with the weather too 👍
Kindest regards and thanks from all of us 🙏

Hi Felicity,

Thank you again for helping us with our baby shower last night. We were so thrilled with how everything went! Here's our feedback:

We would absolutely recommend Daydreamers for hosting events. Felicity helped us organise everything from the moment we met her for the first time, up until the end of the event.

First of all, the venue itself was so beautiful. It was very organised, clean and there was plenty of space for all our guests. We loved having the option of being inside or outside, and the kids loved running around the garden area.

Testimonies

Everything was amazing and everyone couldn't stop commenting on the set up. You were so easy to communicate with and finalise everything and work within my budget too which I really appreciated!

I've attached some photos of the set up, let me know if the quality is okay if not I can message them some other way!

Hey Felicity,
We just wanted to say thank you so so much for everything! Our reception at daydreamers was the best choice we made. It was so laid back, easy, fun had the best vibe with the lights around the tree. The layout was perfect, and wasn't awkward at all. You could easily mingle, dance and get a drink at the bar! The decorations turned out exactly how I wanted, and you helped make sure we got what we were after within our budget. We had an absolute blast and our guests are still talking about how amazing it was and how the food was soo delicious! Thank you for arranging it all and to the staff who worked non stop to make sure everyone was happy! We loved it! Best night of our lives, Thank you!! Xxx

Hi there Felicity,

My 60th was the best night! Thank you very much. The decor and sweet cart was fantastic and the canapés were delicious. Everyone commented on the food and the staff were very attentive and helpful all night to us and the guests.
It was very easy to have everything organised by the team. Thank you again for a great night!

Thanks,
Anna

The bar was also a huge hit, particularly our personalised drinks. Thank you so much for going above and beyond and setting this up for us. Strong communication from Felicity kept us updated about the bar tab throughout the night meaning there were no awkward surprises at the end of the night.

The decor was absolutely spot on. Felicity nailed our vision and we received so many compliments with how beautiful everything it looked. Our back and forth communication via emails during the planning of the event was super easy and it made everything clear as to what to expect at the time of the event.

The staff at Daydreamers were so friendly and accommodating. There were no issues at all whatsoever and they made sure all our guests were well taken care of.

Again, thank you so much for helping us host our wonderful event at your venue. We will definitely recommend you to our friends and family.

Many thanks,
Eliza Robbins

The staff were beautiful, everyone commented about how lovely they were. The food amazing, everyone raved about it and was so amazed by how beautiful the venue was. Many said they would be back during the day for a meal. It was the perfect night that we were hoping for.

Hi Felicity,

We have nothing but positive feedback! We had such a good night and we were blown away by all the work you did organising everything, setting up and even packing up. Everyone commented on how good the venue and food were.

Thank you so much x

We booked Daydreamers for our son's 4th birthday party last week, we cud not have asked for more as they exceeded our expectations.. Firstly, place itself stole our heart as it is designed and crafted beautifully!! Staff members were very professional, welcoming, polite and proactive., along with kids our guests were looked after, food was incredibly tasty, cocktails were just perfect ❤️❤️ The more I write is less, .. our guests & kids enjoyed every moment and admired the place!!! Event manager felicity did such an amazing work with organizing all birthday decor & ballons, jumping castle, ballon entertainer, Candy cart and much more .. Alaska's jumping white castles we ordered for the party had absolutely married to the courtyard space.. Felicity actually delivered same elements of what we had initially in our minds .. I appreciate her creative skills, attention to detail work and throughout communication made our party perfect.. All the guests loved the grazing table, the bar and the sweet touch of the Icecreams in the end .. we made memories !! thank you so much Daydreamers 🙏 we look forward having more events with you ..
